

Dialogue led by

HOUSE of GENIUS

Join us for a transformational dialogue powered by House of Genius to engage diverse stakeholders in discussing the future of Denver as a global city, a smart city and a city of the future. Attendees will not only witness but contribute to the power of thinking and creativity the House of Genius format makes possible. Panelists and presentation topics will not be revealed in advance to honor "House Rules" of anonymity. This will be an engaging experience for all involved. Come be a part of the creative thinking, honest feedback, and fresh ideas.

To attend this session and the cocktail reception to follow, register for the Reception Price of \$50
