

Experience The Network for Global Trade Professionals

The Global Hub

- Make local and global connections
- Connect with peers
- Find trade experts & resources to help you grow your business

Get Started with Your Profile

Add Your Headshot

Hover over the circle next to your name and the edit pencil will appear.

My Info

Update contact information, add bios, view membership level, invoices. Email/phone will not show in the directory.

My Directory Listings

Members with Primary access can update company contact information, bio, description, keywords, employees, industry, countries/regions of interest. Company logo may appear blurry but will be clear in the directory. Use Highlights to add 1-3 sentences and showcase your expertise to the network.

Subscriptions

Manage your preferences to receive emails about topics that interest you such as the weekly newsletter, specific Topics of interest, Member Deals, World Trade Day Updates, & more. Be sure to hit save!

Events

View the calendar and register for upcoming events. **Members will automatically receive member discounts upon registration.**

Trade Knowledge

Search for Information about trade and trending topics in Resources

Ready to Connect with peers?

Start a discussion in the Forum!

Click on a forum topic within the Main Topic Categories on the right (ex. Global Events) & Click on the orange button.

Reach out to members in the Member Directory
Members have direct access to connect with members.

Find a trade expert or vendor to assist you in the Member Directory or make a request and we'll connect you!
